

Issaquah Triathlon & 5K Sprint Triathlon Transition Area (TA) Detail

--- Interior area (orange fencing) is 335' x 110'
--- Yellow safety tape surrounds the TA to remind spectators and participants to not lean over the orange safety fencing. Only participants are allowed in the TA.
◆ ▲ These symbols represent the metal u-stakes used to support fencing and safety tape.
| Bike racks are each made of 2-10' segments and are designed to hold 14 bicycles (average handlebar width is 17")
 Number ranges by each bike rack indicate which participants should rack their bikes on each set of racks.
